WRTV 6 in Indianapolis has **the latest** on Congressman Pence's **endorsement** yesterday of Congressman Louie Gohmert's **tax holiday plan** :

A tax holiday would give Americans more of their hard-earned money to spend, Pence said in a phone interview Tuesday.

"This would represent a real savings to Americans that they could count on," Pence said. "It would be money in the pocket of working Hoosiers and, in my judgment, it would be a much more effective way to stimulate economic growth than the spending or the bailouts and the borrowing."

WIBC has **more** :

"We cannot borrow and spend and bail our way back to a growing economy," Pence argues. "The time-honored method for putting this economy back on its feet is when we give the American people more of their hard-earned dollars to spend as they see fit."
