PENCE HAILS GRANT FOR METTEL FIELD

Washington, Jun 9, 2004 - WASHINGTON, DC - U.S. Congressman Mike Pence today announced that the Connersville Board of Aviation Commissioners will receive $409,283 from the Department of Transportation for the construction of a T-Hangar Building and a new taxiway.

"I am grateful to the Department of Transportation for its continued commitment to eastern Indiana," said Pence. "I am pleased to see this project materialize and congratulate the Connersville Board of Aviation Commissioners for all their hard work. "

The T-Hangar Building will provide needed space for six based aircraft and the parallel taxiway will provide aircraft access to Runway 18/36, which will greatly enhance safety at the airport.
