Congressman Pence is showing up in multiple local news sites:

*NewsLink Indiana* has Congressman Pence's policy speech to a Ball State University international relations class as their top story,

The *Palladium-Item* has additional reporting on the Congressman's visit to Richmond Academy yesterday:

*Eighth-grader Madyson Simpson said she was surprised how engaging Pence's talk was.*And last but definitely not least was *The Muncie Star Press*'s piece notifying their community that one of their own would be Congressman Pence's guest of honor at tomorrow morning's National Prayer Breakfast.
