This week ended with a flourish of cable television opportunities. On Thursday, The Congressman appeared on "The Big Story" on Fox News Channel with former White House Chief of Staff John Podesta to debate "faith and politics", defending the tradition of American Presidents from Bush to Carter to Washington who were open about their faith.

On Friday, the Congressman returned to Fox with an appearance on Cavuto to discuss the horrific beheading of Paul Johnson, Jr. and the response the United States expected of Saudi Arabia.

Also on Friday, the Congressman appeared on CNN International for a debate with former Assistant Secretary Oakley to discuss the recent attack on the President's foreign policy by "Diplomats for Change". The show airs around the world throughout the weekend.
